

Activity Score

From your admin dashboard, you can see the total amount of activity in your brokerage within a chosen time period.

1. Once you select the time period and office that you want to see, select **“Search”** to update the graph.

2. Once the graph has updated, you will see the activity score for your brokerage or specific office. If you hover over a point on the graph, you can see the exact amount of activity for that day, week, or month.
